“ANTICOM” Nazi Brendon West Exposed in Central Texas – Updates

NOTE: The below article contains updates to a post made by Central Texas ARA earlier this week.

[View the original post here.](#)

SUMMARY

Photographer Brendon West has been exposed by Central Texas ARA as a highly active member of Alt-Right circles who has been working to compile and publish doxx about various leftists, both locally around Central Texas and Nationally. (link above)

“Brendon West (aliases include Vlka Fenrika, Fenrika Foxtrot, and Foxtrot DEVGRU) is an alt-right activist and leader of “Anticommunist Action” (ANTICOM). He has photographed and attempted to dox NLG volunteers and others in Central Texas. West led the effort to dox Spenser Rapone, a West Point student expelled from the Army for anti-imperialist statements.”

UPDATES

The Professional associates of Brendon West (alias Fenrika Foxtrot, Vlka Fenrika, etc.) have attempted to cast doubt on the ItsGoingDown article documenting Brendon’s fascistic behavior. Jacob Stone of Phantom6Productions went so far as to call the article “fake”.

Announcement: [Phantom6Productions](#) received a message this morning and some comments about rumors that someone I've worked with is a white supremacist and Neo-nazi.

To clarify: At Phantom6productions, we don't support white supremacy, nazism, racism, prejudice, or anything of the sorts.

I've contacted the aforementioned person that the fake article is about so he can handle who has published these rumors. If anyone ever has any questions, please contact me and I'll be more than happy to answer them. Thank you and have a great day!

Jacob Stone did not make clear what particular piece of information he considered false, but we will conclusively demonstrate here that:

- 1.) Fenrika Foxtrot is Brendon West**
- 2.) Brendon West has been involved in the doxing of legal aid volunteers, anti-confederate protestors, and others.**
- 3.) Brendon West has disseminated fascist material including podcasts from [FashTheNation](#) and [The Daily Shoah](#), articles from [The Daily Stormer](#), and more.**

Our fight is not with Brendon's professional contacts. We are not accusing Phantom6Productions or Jacob of any racist activity. All they are asked to do is make clear they will cease association with Brendon. If they insist instead on lying, defending Brendon, and forcefully denying reality we will be unable to help them.

1.) Fenrika Foxtrot is Brendon West

This is undeniable. Brendon West has been tagged and named numerous times as Fenrika Foxtrot, as shown below. Brendon is pictured wearing a campaign t-shirt for the alt-right candidate Paul Nehlen. Here and in numerous other instances Brendon is tagged by Fairy Godmother Ninja productions as Fenrika Foxtrot.

Jacob Stone is with [REDACTED] and 4 others.

Hey everyone!! It's voting time! Myself along with the rest of the crew in the Texas Film Revolution have submitted our 30 second silent film to the [CELTx](#) project and we need YOU to vote for our project.

A veteran wrestles with inner demons and must make an important decision. Soldiers struggle with PTSD and some don't always make it. There's an average of 22 soldiers per day that take their own lives. They must know that they're not alone and that we will help them overcome their struggles.

Fenrika Foxtrot is with Samuel J Culper.

Dude...

With all that said, why defend him? His friends know this. His professional contacts know this. Some, who have chosen to defend him, apparently find children getting tear gassed at the border to be funny, and consider him to be the “ultimate internet troll.”

We are here to remind Brendon and all who would foolishly defend him that we don't consider Nazis very funny at all. His professional contacts are not, for now, our primary concern. We do not have reason to believe that Stone himself is involved in any political activity or overt racism and we do not consider him a fascist. But attempting to deceive the public, and calling the truth a lie, in the defense of a Fascist can change their situation as rapidly as they wish.

All statements made in the original article are factual, none of it is false, and there is no denying the truth of these claims.

If Brendon cared about his friends, he would simply own up to his errors publicly and make a real correction to his behavior instead of making colleagues tell embarrassing, disgraceful lies that help no one.

For now, do your part to alert the following sites to Brendon’s far-right proclivities:
